A Young Person's Guide...

Bring your children to an afternoon of musical magic!

Our young audience members will be introduced to a professional orchestra, with lots of different instruments on display, alongside professional soloists and a large, renowned chorus, in a fun, relaxed environment.

In addition to playing some of the music from Messiah, we'll also explain a little about the performers on stage, tell them a bit about the piece, and there may even be a few other musical extracts they'll recognise!

This engaging event is tailored specifically for children aged 4-12 to spark their interest in live music.

Saturday 7th December 2024, 5:00 to 6:00 pm
St Michael and All Angels Church, Chiswick W4
